### **AUTO SAFETY HOUSE AND SOLVENT RECY-CLEAN TO PROVIDE NEW SHOP FLUIDS MANAGEMENT PROGRAM TO FLEET CUSTOMERS**

PHOENIX, AZ, January, 19, 2009 – Auto Safety House (ASH) has teamed up with Solvent Recy-Clean to provide fleet customers (that have their own service/repair facilities) with a “Fluid Management Program”. This new program will provide pickup of all waste fluids (oils, antifreeze, solvents, etc.) and filters, delivery of new fluids, parts washer equipment and services, vacuum services, and shop materials handling training. Solvent Recy-Clean is a Phoenix based business with over 50 years of experience in the lube-oil/shop chemicals industry. They are a certified hazardous waste transporter and are experts in minimizing waste streams and maintaining compliance. Solvent Recy-Clean is also a member of the Tucson Regional Clean Cities Coalition.

“This new Shop Fluids Management Program is a great addition to our other fleet solutions products and services, and specifically our overall Sustainability Solutions for Fleets program. The program will be comprehensive and will enable our fleet customers to lower costs and maintenance, meet green product use objectives, and get expert support and training. It is good for our Customers, good for our communities, and good for our environment” commented Rudy Garcia – Vice President of Auto Safety House.

Auto Safety House is a distributor of new and used buses, truck equipment, bus, truck and trailer parts, and also performs emergency vehicle modifications, and offers a diverse mix of heavy duty mechanical service in facilities located throughout the Southwestern United States.
